

12 September 2024

Dear Parents and Caregivers,

Years 11-13 Subject Learning Conference – Thursday 26 September 2024

We look forward to welcoming Parents and Caregivers of Year 11-13 students to the College for our Subject Learning Conference on Thursday 26 September between 1:30pm and 6:30pm.

Please note that this communication is being sent to the whole community due to the early closure of the College at 12:30pm affecting all students on this day.

Acknowledging there are limited appointment slots for each of our teaching staff, we would encourage you to engage with comments and feedback already published on the OLE as the best way to stay up to date with your child's learning progression.

We encourage a learning conference rather than a parent/teacher style interview to help promote learning partnership between the school, parents, and the student. We recommend that students attend with their parents as this encourages shared decision-making, good communication, and clearer learning expectations with the student. The best outcomes for students are assisted by these sorts of strong connections. Students are not required to wear uniform when attending.

Booking Information

An email will be sent on the morning of Thursday 19 September to indicate that bookings are open with a personalised link to click. Bookings will be made via the SchoolPoint programme.

As per our previous Subject Learning Conferences, only one interview per teacher may be booked for each student.

Please note that the booking system will close 48 hours ahead of the conference.

If for any reason you are unable to attend the Subject Learning Conference on the allocated afternoon, and you are concerned about your child's progress, please email the subject teacher.

Locations and Duration

Year 11-13 appointments are 6 minutes long and will be held across the Goodfellow, Macky and Elliot Quad classrooms. A further updated list of classrooms will be made available on the OLE prior to the event so please ensure you check this. Maps and teacher locations will also be handed out on the day.

It is important that everyone adheres to the appointment times. If you wish to have a longer discussion, please contact the subject teacher to make another time at a later date.
