

December 2026

Dear Parents and Caregivers,

## Back to School Stationery for 2026

We know getting ready for the first day back at school can be a challenge for parents and students. That is why we have teamed up with OfficeMax to make your back-to-school shop super easy.

Subject lists are available via the OLE. You will need to log in to the OLE via the parent portal ([click here](#)) and select the  Reports icon. Click on the section called 'Subjects for 2026'. This will open a PDF file containing confirmed subjects for 2026. **PLEASE NOTE** – if your child has had a recent subject change, this will not show on the OLE portal.

Orders can now be purchased via the [Office Max MySchool Website](#). Your order will be delivered to the address you specify. Orders over \$70 will receive free delivery. Please retain a copy of your order form should you need to return items. Incorrect items must be in new condition and can only be returned by contacting OfficeMax Customer Service on 0800 724 440 or [myschool.co.nz](http://myschool.co.nz). Returned goods will not be accepted more than three months after purchase.

- YEAR 7 Students are required to purchase all items listed in the core/compulsory stationery pack. Students should bring all their NAMED stationery on the first day.
- YEAR 8 Students will need to order for all confirmed subject options. Students should bring all their NAMED stationery on the first day.
- YEAR 9 Students will need to order for all confirmed subject options.

All other students are expected to have purchased their stationery, but for the first day they are only required to bring in their laptop computer, a lined refill, pencils, and pens. Once students receive their timetables, they will know what to bring in each day.

We look forward to your child having a successful start to the new school year!

Yours sincerely,

Paul Bennett
