Saint Kentigern College Parents and Friends Newsletter

A very warm welcome to our returning and new parents for 2019. As some of you will be aware the Saint Kentigern College Parents and Friends Committee exists to benefit your children during their years at the College. We are a committee of parents of current students and welcome your support and the opportunity to connect our community through a range of events and social functions.

Firstly, a big thank you to all the volunteers that gave their time and expertise last year to make our events so successful. If you would like to be part of our team or you are able to help us in any way, please contact Trish Heikoop at skc_pfadmin@saintkentigern.com.
