Speakers in Classrooms

Carli Davis

Old Collegian

Management Consultant with PwC

An MBA honours graduate from Crummer Graduate School of Business, Florida, Carli is a keen environmentalist. After finishing high school in New Zealand she took up a sports scholarship at Rollins College, Orlando, completing a bachelors' degree and majoring in Environmental Studies and Sustainable Development.

Margaret Wind

NZ Marine Transport Association

Maritime NZ is the national regulatory, compliance and response agency for the safety, security and environmental protection of coastal and inland waterways.

Experienced Managing Director with a history of working in the maritime industry. Skilled in Operations Management, legislation, health and safety plans, Maritime Operations, and Inspection. Strong business and change development background.

Jessica Hill

Old Collegian

Videographer, Photographer & Content Creator

Jess studied at Victoria University of Wellington. During this time she studied at Penn State University for a semester of her degree and was fortunate to have her work picked up by local and international film festivals.

Graduating with a Bachelor of Design Innovation (majoring in Media Design), and a Master of Fine Arts (majoring in Film Production). After graduation she got a job with Universal Music Group NZ as Creative Services Manager. Jessica's role involves working with musicians on creative projects to promote their music.

Jesse Merkle

Old Collegian

Field Geologist at ENGEO

Jesse has a BSci(Hons) in Geology from the University of Auckland.

He is working as an Engineering Geologist for the geotechnical and environmental consultancy company ENGEO.

Engineering geology is to ensure that the geological factors regarding the location, design, construction, operation and maintenance of engineering works are recognized and accounted for.

Engineering geologists provide geological and geotechnical recommendations, analysis, and design associated with human development and various types of structures.

Lindsay Jopson

Engineering Manager at Movio

As a key leadership role he is accountable for managing and coordinating resources, mentoring and HR of the technical team at Movio.

My primary concern is the Engineers wellbeing and productivity, making the practice of engineering at Movio as fun and pain-free as possible.

He has a Bachelor of Business Information Systems, Web & Data Intensive Systems from Massey University

Jamie France

Old Collegian

Production Manager at Rocket Lab

The former Emirates Team New Zealand, Design Engineer (1997 – 2013) is now the Production Manager for Rocket Lab, helping to launch small satellites into space from New Zealand.

He is now Production Manager, leading the team of talented technicians that mechanically build the launch vehicle and complete the final assembly, before shipping to the launch site.

He has a Bachelor of Engineering, Mechanical (Hons) from University of Auckland

skills.

Grow by growing others

Skills – Apprenticeships

They are now the largest industry training organisation in the country. From plumbers and gasfitters to roofers, real estate agents, security guards, and beyond.

They are helping thousands of Kiwi professionals gain real, nationally recognised qualifications.

Penelope Maxwell

Old Collegian

Business Analyst at Fisher and Paykel Healthcare

Penelope has a BE(Hons) in Engineering Science from the University of Auckland.

On graduation, she started as a product development engineer at Fisher & Paykel Healthcare, before moving into a data analysis role. Her current position is a Business Analyst, specialising in data to empower the business in their decision making.

Chris Wong

Old Collegian

Product Development Engineer at Fisher and Paykel Healthcare

Chris has a BE(Hons) in Mechanical Engineering from the University of Auckland.

He is currently working as a Product Development Engineer at Fisher & Paykel Healthcare working in the Obstructive Sleep Apnea division.

In his current position he works on the design, prototyping and manufacturing of medical devices.

Thomas Ding

Old Collegian

Doctor at Starship Hospital

Thomas was deputy Head Boy in 2009. He has an MBChB BMedSc (hons) from University of Otago.

He is now working as a Paediatric Registrar at Starship, Auckland Hospital

He has research experience in quantitative and qualitative methods.

Sharnika Leleni

Old Collegian

Lawyer at Russell McVeagh

She is currently working part time in Criminal Prosecution at Meredith Connell and will be moving to Russell McVeagh in the middle of the year.

She was a Russell McVeagh Law Scholar and was awarded the Moana Schwalger Memorial Law Scholarship by Meredith Connell and the Pacific Lawyers' Association.

Student at the University of Auckland with a conjoint degree of Bachelor of Laws (Hons) and Bachelor of Arts.

Bella Richards

Old Collegian

Soccer in USA

Following graduation from Saint Kentigern in 2015, Bella decided to pursue her university studies in the USA.

She was offered a football scholarship at Hofstra University in Long Island, New York and is currently in her third year of studies, majoring in International Business and minoring in Finance.

In the past two football seasons her team has won the Conference Championships and advanced into the National Tournament.

She is enjoying her time at college and is grateful for the opportunity to meet athletes from all around the world in addition to exploring what New York has to offer.

Bella will be in the Hall with Education USA.
