

How to Access Online Reporting

To access the most up to date assessment information on your child, from your OLE dashboard, select the 'Grades' button below the list of classes.

The screenshot shows the OLE dashboard interface. At the top, there is a navigation bar with icons for Classes, Groups, Timetable, Calendar, Notices, Resources, and My Files. Below this, a greeting "Good Afternoon," is followed by "SAINT KENTIGERN SCHOOLS" and a row of five class category buttons: Preschool, Boys' School, Girls' School, Middle College, and Senior College. A "QUICK LINKS" section contains icons for Parent Portal, Uniform Shop, Health & Safety, Parents & Friends, OLE Help, and School Website. The "MY STUDENTS" section lists various classes for Year 8, including Ancient Languages and Culture, Christian Education, Drama, English, Core PE/Health, Mathematics, Science, Social Studies, Spanish, Technology, Environmental Group/Council, Football Girls Junior & Blue, Football Girls Year 8 SEZ, Middle College Drama Club, Seedlings for Service, Tutor Group - BCGG1, and Touch Year 7&8 Girls. At the bottom of the dashboard, a navigation bar includes buttons for Timetable, Calendar, Due Work, Grades (highlighted with a red circle), and ePortfolio. On the right side, there is a "Building Saint Kentigern" banner, an "Annual Giving" banner, a calendar for Monday October 21st and Tuesday October 22nd, 2019, and a "NOTICES" section.

From here, you will see grades and feedback for every Common Assessment Task as it becomes available. Feedback will be in the form of comment or a rubric. To access grades from a previous semester, use the arrows or dropdown menu.

The screenshot shows the "Grades for Semester 2, 2019" interface. It features a student profile picture and name "Year 8 Student". Below this, there is a navigation bar with a left arrow, "Semester 2, 2019 (Jul 8 - Dec 6)", and a right arrow. A dropdown menu is open below the semester text, showing "Select a subject". The left arrow, the semester text, and the right arrow are all highlighted with red circles.
