

# SAINT KENTIGERN

25 September 2020

Dear Parents, Caregivers and Students

Given the unusual nature of our year and the impact on the Term 4 calendar, we have had to review our end of year ceremonies and the prizegivings in particular. We will hold a full school academic prizegiving at the **Vodafone Events Centre** on the **Monday 7 December** commencing at **12pm**.

This will be the final chance for us to assemble as a full school, celebrate academic achievements, and pay respect to our senior leavers. The ceremony is expected to take just over two hours with the focus on our students (there will be a short speech from myself, and the Head Boy and Girl will speak). This day counts as a full school day and we expect all students to attend. Traditions are important in schools and we are working hard to create a special prizegiving that appropriately concludes the Saint Kentigern College year. This is especially important this year given how few opportunities we have had to come together and celebrate. Please reserve the date in your calendar and further details will come out next term.

Other upcoming ceremonies are as follows:

Celebrating the Arts Evening	Tuesday 20 October (7pm)
Bruce House Annual Dinner	Wednesday 21 October
Sports Awards Dinner	Wednesday 4 November (6pm)
Year 12 Graduation	Monday 9 November (4pm)
Year 13 Graduation Dinner	Sunday 6 December

## Final Chapels

Cargill Chapel	Sunday 18 October (6pm)
Wilson Chapel	Sunday 18 October (7.30pm)
Stark Chapel	Sunday 1 November (6pm)
Wishart Chapel	Sunday 1 November (7.30pm)
Chalmers Chapel	Sunday 8 November (6pm)
Hamilton Chapel	Sunday 8 November (7.30pm)

Please [click here](#) for the feedback report with regards to the 2019 Sports Review. We had planned a feedback meeting however this was lost during Covid-19 Alert Level 3 and we are running out of windows of opportunity – hence this report.

Feedback from Heads of Faculty regarding exam results is very pleasing indeed. Teachers are respectful of how hard students have worked and this is showing in the results. In some cases, I am told that results are better than ever. I think it is fair to say that where students have made the effort then the results have followed and hence, we are well positioned going into Term 4 with four clear teaching weeks before exam leave. From another angle I can see how tired everyone is, students and staff. I hope you all can find some time to recharge and reset for the all-important Term 4.

With the completion of the Senior School Practice Examinations, the following reports will be published on the OLE on Monday 5 October.

The first is the NCEA Progress Report. This 'live' report, summarises the student's achievement. This is a useful document, that will continually track the student's progress as they complete their last internals in Term 4. The second is an IB Interim Progress report. This formative report provides predicted grades on the student's achievement to date. Lastly, Year 13 students will receive a Rank Score Report. This report is based on Auckland University's GPA entry criteria and provides insight into the requirements needed for Auckland University.

All the best for a peaceful break.
