

Distance Learning at Saint Kentigern College

Saint Kentigern College is a modern learning environment. Staff and students are well supported with digital platforms and techniques to enrich learning programmes.

Following directions from the Prime Minister, teaching and learning programmes will continue to be supported by the OLE until Friday the 27th of March. This means staff will continue to operate across a 7 Day timetable on the following days with slightly altered period times to allow students to sort equipment, take bathroom breaks, opportunities for exercise and screen breaks.

Friday 27 March	Day 6 Timetable

Teachers will only be available for other queries from 3.30 - 4.30 each school day. It will not be possible to expect immediate feedback, but where teachers see patterns of questions, they will send further clarification to the whole class. Please respect this set period, so teachers have the time to prepare next lessons and offer individual feedback via the OLE.

We understand that some practical work will be affected but as we expect this to be for a short period of time, staff have plans to work around that, and may modify course outlines if needed. It is likely that assessment timeframes for senior students will be affected, but again staff will manage this so long-term results are not affected.
