### Stationery

It is important that Year 7 students have all their stationery on their first day at school. All other year levels can bring their laptop, a lined refill and pen as all students will be in classes and given homework. Teachers will inform students on the first day what stationery they need for the next day.

### College Policies

Please take the time to familiarise yourselves with the College policies before the College year commences, including reviewing the Saint Kentigern [College Parents' Handbook 2021](#).

### Leave Approvals

If your child needs to be away from school for 2 days or more for a pre-arranged event you need to place a request for leave well in advance of the event date. Go to the Middle School or Senior School OLE page, click on 'Student Leave Request' box and complete the online form. You will receive a formal notification by email. Absence for sickness, or unavoidable appointments during the school day, can be advised by Text: 021 172 6464 or email [skc\\_absence@saintkentigern.com](mailto:skc_absence@saintkentigern.com). Provide the student's full name, timeframe of absence, reason for absence.

### Uniform Reminder

All students are to be in full summer uniform from their first day at school. Please read the uniform requirements attached. A reminder that **no** makeup is to be worn and **girls only** are permitted to wear a gold or silver 3 mm stud in their ear lobe only. Wrist watches are permitted. Hair is to be of a **natural colour and style** and **off the collar, face and ears**. Boys need to wear garters with socks if not wearing sandals and to be clean shaven. Girls are not expected to wear tights with their Formal Uniform in Term One.

### Formal Uniform

Formal Uniform is to be worn is on **Friday 5 February for Tutor Group and Individual photos**.

**Buses** – please check carefully for route changes on the Saint Kentigern website.

## Option Subject Changes Year 7 to Year 10

Any requests to change an option subject must be made by a parent on behalf of their child before the end of Friday 14 February to Mrs Angee Robertson (Deputy Principal) [angee.robertson@saintkentigern.com](mailto:angee.robertson@saintkentigern.com). If you have any queries regarding academic matters, please contact your child's Head of House. Please note option changes are subject to availability.

## Banding in Year 7 to Year 10

At Saint Kentigern College 90% of our students are in Mixed Mainstream classes. While in the past we have had a three-tiered approach to class banding, we have reviewed this for 2021 and have placed the majority of students into mixed, mainstream classes. These classes stay predominately together but change for Maths.

If you have any questions or concerns about your child's placement in Year 7 (Head of Year 7), please contact Mr Kevin Taylor or for Years 8 to 10 please contact Mrs Angee Robertson (Deputy Principal).

## Course Change Afternoons Year 11 to Year 13, in January

Over the summer break, your child may have had second thoughts about their subject selection for 2021. There may also be some students, who after receiving their NCEA examination results (Thursday 21 January), do not meet the pre-requisites for a chosen subject. As soon as Year 12 and 13 students receive their results from NZQA **it is essential that they check to see if they have met the entry criteria for their 2021 subject choices**. The entry criteria can be found in the 2021 Senior College Course Handbook available on the College OLE under the Curriculum tab.

For the reasons above, we are holding two Course Change Afternoons for Year 11 to Year 13, **Monday 25 January 3:30pm - 5pm and Tuesday 26 January 3:30pm - 5pm** in the **Year 13 Common Room**. We ask that students attend on one of these days if they know they would like to, or need to, change their subjects. **Students are required to wear school uniform on these afternoons**. If students want to make a change, they are required to **bring their NCEA results with them**. **They will meet with the Heads of Departments, who will determine if they are able to take their subject of choice**. If your child is not sure about their subject choice, please ensure they also attend one of these afternoons. A decision to change a subject at a later date will be subject to availability. It will also mean your child will miss out on the beginning of the course and the crucial information given at that stage. [Please click here for the course change form](#).

If you have any queries regarding Year 11 to Year 13 Academic matters, please contact your child's Head of House (listed on previous page) or one of the following people:

Deputy Principal Mrs Angee Robertson	577 0705
IB Coordinator Ms Suzie Tornquist	577 0748 ext 9309
NCEA Coordinator Mrs Joanne MacDonald	577 0748 ext 9305
Head of Senior School Enhanced Learning Mrs Catherine Watts	577 0748 ext 9162

## Saint Kentigern Future Me Academies Launch – Wednesday 3 February – You're invited

You are invited to the Saint Kentigern Future Me Academies Launch evening which will be held on Wednesday 3 February at 7.00pm in the Goodfellow Centre. The Launch will provide you with comprehensive information about the academies programme, how it will work for our students and how to enrol.

The Future Me Academies Programme has been developed by Saint Kentigern College and is exclusive to us. The programme provides our students with opportunities to 'give things a go', things that they have always wanted to try.

There will be 9 academies, for which there are course outlines and learning plans in the 'Future Me' Academies Mini Prospectus, which is available on the OLE on the Student Futures page and in hardcopy. The 'Future Me' Academies programmes will take place in Periods 0 and 7 every school day. There will be some charges for some academies programmes.

The 'Future Me' Academies applications open on Thursday 4 February 2021 and close on Thursday 11th February 2021. There are only 15 to 20 places in each academy, so it is essential to apply as early as possible. Applications can be made on the Microsoft form on the Student Futures OLE page.
