

3 September 2021

Dear Parents, Caregivers and Students

NCEA and IB Practice Examinations

Following on from our communications in the College newsletter, our planned and timetabled School Practice Examination for NCEA and Year 12 IB have had to be postponed until Term 4.

The Year 13 IB practice exams (15 - 24 September) unfortunately are unable to proceed unless we are in level 2. However, a revision programme - including practice assessments - will be provided to students to complete at home.

This means, Year 11, 12 and 13 students will be sitting Senior School Practice Examinations from **Monday 18 October to Friday 29 October**. All Senior School students will be granted study leave during this period. This means that they are not required to be at the College during the school day other than when they are sitting examinations.

These examinations will provide students with the necessary feedback on their externally assessed topics. In most cases, their results will also be their **Derived Grades**. These Derived Grades will form as 'predicted grades' if a student is unable to attend the NZQA external examinations in November.

Copies of the examination timetable and instructions will be distributed to all students via their Tutors and the timetables are available on the Senior Learning page of the OLE.

If your son or daughter has a prior commitment and is unable to sit the exam as scheduled, a formal email to Mrs Robertson prior to Monday 27 September to arrange an alternative day and time. Approval will only be granted if it meets policy guidelines.

Outlined below are the measures put in place where there are circumstances that Year 11 and 12 students are unable to manage transport to and from the College during the day. These include:

1. Examinations have been scheduled at times that fit in with the normal College bus times.
2. Goodfellow Centre will be open as a study room for students- quiet and respectful behaviour is expected from students who use this area.
3. Saints Café will be open, so students do not need to leave the College during lunch break.
4. Bruce House students will also have a study area arranged.
5. Senior School students not currently holding a **car pass** and wanting to drive to school during the examination period can collect an application form from Student Reception or download one from the College OLE page. Car passes will be available for the examination period from **Monday 27 September** and we will waive the cost this year due to lockdown.
6. Full and correct College uniform is to be worn whether the students are on site for examinations or for any other reason.

COLLEGE

For Boys and Girls in Years 7-13

We place a high premium on these College examinations and ask that you support us in stressing their great value and importance to your son's or daughter's overall academic performance.

If a student is sick and unable to sit their examination(s) please contact their Head of House prior to 8.00am on the day of the examination. In accordance with NZQA and IB guidelines, a medical certificate must be provided and given to Mrs Robertson, Deputy Principal (angee.robertson@saintkentigern.com).

Yours sincerely

Angee Robertson
Deputy Principal, Curriculum

Duncan McQueen
College Principal (Acting)
