Saint Kentigern College Parents and Friends Newsletter

Providing an inclusive and memorable experience for the College parents and caregivers.

Term 4 2021

As we come to the end of Term 4 the Parents and Friends Team wish to thank our volunteers who have generously given their time in 2021. There are many ways to support the school through our Parents and Friends, helping at Kents and Saints café, and events such as Grandparents Day, guest speaker evenings, new parents evenings for the Year 7 and Year 9 parents and Parent Teacher Interviews to name a few. This is a great way to get involved and meet other parents in the school community. Thank you for volunteering!

On behalf of the Parents and Friends we would like to wish our departing Year 13's the best for their next chapter in life what ever and where ever that may be.

FOOD FROM THE HEART

Food from the Heart is a voluntary program whereby families can donate a meal or baking (which is freezable), to the school, where it will be stored and distributed to families from the Saint Kentigern College Community experiencing difficult circumstances.

Recyclable containers will be made available at each Chapel Service (or picked up at any time from the Goodfellow Centre). Once filled and frozen, it can be returned back to the Goodfellow Centre where it will be stored in a dedicated freezer. It will then be distributed along with other meals/baking to a family in need. For more information please email Corinne Stilwell at corinne.stilwell@gmail.com

In term 4 we have supported a number of families in our school community through illness and hardship. As the year draws to a close we are pleased to distribute the last of the meals to an organization in need.

We look forward to continuing the program in 2022, and thank all families who kindly donated meals and baking to support our school community.
