

SAINT KENTIGERN

19 March 2021

Dear Parents, Caregivers and Students

Please join me in congratulating our Girls' Touch Team who have had a great wins over top seeds Westlake (5-4), Botany (10-0) and Baradene (15-0). They are now Auckland Champions!

In a similar vein we had wonderful results at the Auckland Secondary Schools Triathlon. Congratulations go to:

Individuals:

U16 Boys: Coen Anderson 2nd, Joshua Gordon-Glassford 3rd

U16 Girls: Olivia Rooney 1st, Izzy Banister 2nd

U19 Girls: Sophie Spencer 1st

Teams:

U14 Girls: Amelia Duff, Olivia Kay and Cleo Hancock 2nd

U16 Girls: Leni Webster, Maddie Ballard, Emmerson Garrett 3rd

U19 Girls: Alex Champion, Ruby Spring, Isabella Campion 1st

U16 Boys: Sunny Sun, Callum Cruickshank, Adam Morrison 3rd

We wish the team well as they head towards the Nationals.

If anyone was down at the Viaduct on Tuesday afternoon, then you would have heard our College combo performing on the Americas Cup stage. The band were very popular, and with the addition of our Head Boy Harry Lowe on vocals, had the crowd up and dancing. Have a listen... <https://youtu.be/VauKomRDphU>. They do a cracking version of Stevie Wonder's Superstition.

We wish our teams all the very best for Summer Tournament week commencing on Monday.

Finally, congratulations to Cargill House for winning the Swimming Sports House points.

2022 Enrolments – If you are planning to enrol a sibling for 2022 we would strongly encourage you to submit an Enrolment Application before the end of Term 1 (Friday 16 April). For an Application Form please [click here](#) to be taken to the College website application page.

While priority consideration is given to the siblings of existing students, all indications are that interest in places at the College in 2022 is high, as entry at all year levels is competitive. We do not want existing families to find themselves in the position later in the year with no spaces available.

Enhanced Learning Evening – this will be held in the Goodfellow Centre at 6pm on Monday 22 March.

Evacuation Drill Today

We held an evacuation drill on campus this afternoon, with our new assembly point on the practice field. We were very pleased to see our students respond safely and maturely, understanding the nature of an evacuation and the controlled urgency that was required.
