

SAINT KENTIGERN

15 February 2022

Dear Parents and Caregivers and Students

Year 9 Camp: ONE-DAY PROGRAMME

With the cancellation of Year 9 Camp at Totara Springs, we want to create an opportunity for students and staff to build relationships outside of the normal classroom environment. To this end, we are operating an exciting one-day programme for each House that will run from Monday 21 February until Monday 28 February. The programme will finish with pick-up from the MAIN COLLEGE CARPARK at 9:00pm.

Students should report to the College at **8:40am** in their HOUSE SHIRT and PE Shorts on the following days:

Monday 21	CHALMERS
Tuesday 22	WISHART
Wednesday 23	CARGILL
Thursday 24	STARK
Friday 25	HAMILTON
Monday 28	WILSON

We will be following COVID-19 protocols. **Facemasks will be required for some activities that will happen indoors (as well as normal travel to school on the bus).** Should your child(ren) display any signs of sickness, we would require that they remain at home.

There is a possibility that the activity day may be cancelled at short notice, should we be unable to staff the day due to absences related to Covid. This may also be the case should we consider the risk of transmission has become too high amongst students.

The total cost for the day is **\$100.00**. This is necessary to cover the cost of activities, food, equipment and professional instructors etc. It will be charged to your College account once the day is completed. We are providing lunch, dinner and supper as part of this programme, so **please ensure all relevant allergies or dietary requirements are recorded** on the online Parental Consent form (to be completed before Friday 18 February).

Students are only to attend this activity programme on the day that they are scheduled to attend with their House. Their Tutor, Head of House and Peer Support leaders will be with them for the day. Students will attend normal timetabled classes on the other days of the programme.

We feel confident that this day will be memorable for all students, and further strengthen Tutor Group connections and House spirit.

Yours sincerely

Al Ronberg
Year 9 Programme Co-ordinator
HEAD OF WILSON HOUSE (Middle School)
