We recognize that some families will want to host a Pre-Ball function. While Pre-Ball functions are not within the College's responsibility it is important that we care for everyone in the Saint Kentigern Community. Therefore, we suggest contacting parents of invited students to support them knowing where their child will be, and that they know their child is at a gathering that is well-organised and under parental supervision.

Families who host Pre (or Post) Balls take on the responsibility and we suggest that they should make themselves aware of the legal position regarding the supply of alcohol to minors in their care. As the Ball is strictly alcohol free, we discourage hosts from serving any alcohol to students and suggest instead that plenty of food and non-alcoholic drinks are available.

Our intention is to provide a safe and enjoyable occasion for all those attending. We ask that we work together to enable a fantastic and memorable event for all our Year 13 students and their partners.

Yours sincerely
