

SAINT KENTIGERN

2022
Senior School
Practice Examinations

NCEA and Year 12 IB
September 13- 23

Student

Study Guidelines for Students

1. **ALL** examinations require thorough revision, regardless of the subject or your past performance level.
2. Examinations are an indicator of your ability, commitment, preparation and performance on the day.
3. The best way to prepare for examinations is to make your preparation part of your normal practice. It is therefore important to develop academic routines of making study notes at the end of each topic.
4. Senior students have school practice examinations before externals. These examinations should reveal genuine misunderstandings or gaps in knowledge - not a lack of preparation. For many cases, the school's Practice Examinations are **Derived Grade examinations**. This means the grades act as 'predicted grades' if you are absent at the end of the year.
5. All students will need to write **study notes** i.e. summary notes. Your teachers will give you directions on how to write these. It is not only knowledge and facts that require study notes. Even skills/practical tasks that are examined, require summary notes of the steps and procedures required e.g. how to draw a graph; how to interpret a cartoon; how to conduct an experiment etc.
6. Before you start writing study notes, make sure your class notes are **completed** and **up to date**.
7. Make up a **revision timetable**, spreading your study around your other commitments. Weekends should be included. Calculate how much time you will need to **thoroughly** cover each topic and sub-topic for each subject. Calculate how much time you need from **today!**
8. For effective revision, study in 20-minute blocks with a 5-minute break between each block.
9. Reinforcement is the key to learning your material. You need to thoroughly revise your work multiple times to remember it.
10. Practice what you study under **time pressure** i.e. test yourself, write practice essays, draw practice graphs, do revision exercises and so on. Generally, the more you do the better.
11. In the last few days before your examinations:
 - make sure you know when, and where, your examinations are
 - make sure you have adequate equipment
 - revise what you have already learnt rather than cramming new material the day before your examination
 - stick to your normal bedtime and eating routines
 - remember everyone gets nervous to some degree
 - stop studying 30 - 40 minutes before bed and do something relaxing. Do not take anything to help you sleep.

Absence during the Examination Period

These examinations, will be used to inform the student's Derived Grades.

During the examination period, **students must advise any absence due to sickness to their Head of House by 8 a.m. each day**. On return to school, a doctor's certificate must be provided. Where possible a catch-up may be organised.

Please Note: A Catch-up Examination is not always possible. Catch up examinations are subject to time frames, rooming and eligibility. Eligibility must be of a **significant nature**.

The following **are not normally** grounds for a catch-up examination:

- stress or anxiety due to having to sit examinations
- minor ailments such as headache.
- self-interest absence due to holiday or involvement in a self-selected competition/event.
- day-to-day family or school-based disturbances
- death or euthanasia of a pet

Student Management during the Practice Examination Period

- During the practice examination period, Senior School students **are not required to be at school if they are not sitting an examination.**
- The practice exams will provide, as much as possible, a formal simulation of the external examinations.
- To minimise transportation problems and disruption to the College, practice examinations are organised to coincide with the beginning and end of the College Day to allow students who travel on buses to continue to do so. If your bus is late arriving, please report to your examination room and your supervisor will allow extra time.

Daily Timetable

8 a.m. Supervisors report to examination venue

8.15 a.m. Students report to Elliot Quad

8.40 a.m. to 11.40 a.m. Morning Examination Period

11.40 a.m. Student Lunch Begins

11.50 a.m. Supervisors report to examination venue

12 noon Students report to Elliot Quad

12.20 p.m. – 3.20 p.m. Afternoon Examination Period

4. During the practice examination period, the following alternative arrangements will be made:
 - Kents is closed. Middle School students are welcome to use Saints Café during morning tea and lunch.
 - Year 9 and 10 students will have interval and lunch in the **Goodfellow Quad**.
 - Elliot Hall Foyer will be out of bounds for non-examination students.
 - Bruce House Staff will arrange for the supervision of boarders during their study breaks.
6. Mobile phones, watches or any other electronic devices e.g. iPods, iPads, tablets etc. **must not** be taken into an examination. **NO PENCIL CASES** are allowed into examination rooms. Equipment may be carried in clear plastic bag if required. **No correction fluid.**
7. Apart from water, which must be in a **clear plastic** bottle e.g. pump bottle (**this means no writing or stickers on the bottle**), students are not allowed to bring any other drink or food into the examination.
8. During examinations bags will be stored at the front of the classroom or in Elliot Hall Foyer.
9. According to NZQA policy you can leave the examination early – **but not in the first 45 minutes, or the last 15 minutes. IB students cannot leave in the first 60 minutes or the last 15 minutes**

NCEA Practice Examination Timetable 13

Tuesday 13 September- Morning (8:40am)

11 MAO
11 GEO
12 BUS
