

# OUR FAMILY FLAVOURS

## PURCHASE AND RE-ORDER FORM

We are proud to present *Our Family Flavours* a collection of recipes from the Saint Kentigern Community.

We would kindly ask your family to sell as many copies as possible on behalf of the combined Saint Kentigern Parents and Friends Association. All profits from this project will be shared between our schools so every child will benefit from your support.

### Each book is \$39.95

Once you have browsed through the book, we ask by **FRIDAY 9<sup>TH</sup> NOVEMBER 2012** you either:

- Return this completed form indicating the number of books you wish to purchase and state how you want to pay.
- If you would like to purchase more than 3 books, please complete the re-order section and these orders will be processed on a first come first served basis.
- Return any unwanted books in the carry box provided (if 3 books taken). Any books returned **must be undamaged** and the College reserves the right to charge for books which cannot be onsold due to their condition.

Payment forms and returned books will be recorded by your College co-ordinator and families will be contacted if neither is returned. If the books are still outstanding, the College reserves the right to charge the value of the books to your College account.

*We would like to thank you for supporting this Saint Kentigern project*
