

## SAINT KENTIGERN

1 February 2023

Dear Parents and Caregivers

We are delighted to advise that the Secretary for Education has removed the requirement for schools to remain closed until Tuesday 7 February. Schools that were not affected by the flooding/slips can now open their doors for students on site. It is up to individual school to make their decisions based on their current circumstances.

I have met with the Senior Leadership Team, and we feel that we can open the College safely for Years 7 - 13 Students on Thursday 2 February.

We appreciate the patience with which you have responded this week and look forward to welcoming all our Year 7 – 13 students on site tomorrow.
