

Saint Kentigern

May 2026

Dear Parents and Caregivers

### World Vision 40 Hour Challenge Appeal 19-21 June 2026

Saint Kentigern College has long supported the World Vision 40 Hour Challenge, and, because of our significant fundraising contribution, we again have a dedicated project for the money we raise.

This year marks **42 years of partnership with World Vision**. In 2026, our fundraising will support children and families in the **Pacific Islands of Vanuatu and Solomon Islands**.

Together, we will partner with communities around Honiara, working with local leaders, families, teachers, and churches to strengthen children's wellbeing and future opportunities.

Funds raised will help families build reliable incomes, keep children in school, improve access to nutritious food, strengthen learning environments, and prepare communities for emergencies.

As young people in the Pacific, we have a valuable opportunity to stand alongside our neighbours and help create lasting change.

### Inspiration and Challenge Ideas

Challenges might include 40 hours offline, no TV or Netflix, no electricity, no motorised transport, no furniture, 40 hours outside, no talking, or another meaningful personal challenge.

We encourage students, with parents permission, **to use this link [HERE](#) for online fundraising**, or use the **QR code**. This link can be shared by Facebook, email, or SMS, and donations are paid directly into the official World Vision account. Donations over \$5 are tax deductible, and booklets are also available from Student Reception.

We appreciate your choice as parents and caregivers to decide if and how your child is involved. If you have any questions regarding the 40 Hour Challenge, please do not hesitate to contact Mark Robinson ([mark.robinson@saintkentigern.com](mailto:mark.robinson@saintkentigern.com)).

Yours sincerely

Mark Robinson  
Service Co-ordinator

Duncan McQueen  
Director of Campus Life and Special Character
