Dear Parents and Caregivers,

## Welcome Back to Term 4

Whether your child is preparing for exams, finishing their final year, or continuing their educational journey, we are dedicated to supporting their growth and success.

We truly value your ongoing involvement and partnership with the College. Together, we look forward to a productive and fulfilling Term 4. Below is a summary of what's occurring this term or click here to view the [Term 4 College Term Card](#)

### Leaver's week activities and expectations

Week 2 of Term 4 marks the final week for our senior students, particularly our Year 13 cohort. During this week, we will bid them farewell through a special program of events designed for them to participate in outside of their regular classes. We expect all students to finish well, living out the values of the College until the very end. While participating in these events, students are still required to attend classes to continue their study programs in preparation for their exams.

On Friday, 25 October, there will be a formal event for Year 13 students only. They are expected to arrive at Gym 1 at 10:50 am in formal uniform for their final leavers' celebration. IB students are also welcome to join these activities if their exam schedules permit.
